RENEWABLES NOW

PROGRAMME AT A GLANCE

DAY ONE (20 Feb)					
9:30 - 10:00	Registration opens				
10:00 - 10:30	OPENING CEREMONY + HIGH LEVEL PANEL Renewable Energy, the Solution for Net-zero, sustainable Development, energy security and sovereignty - 2050 roadmaps start now! (10:00 - 13:00)				
10:30 - 11:00					
11:00 - 11:30					
11:30 - 12:00					
12:00 - 12:30					
12:30 - 13:00	(10:00 - 13:00)				
13:00 - 13:30	Lunch (13:00 - 14:30)				
13:30 - 14:00	Lunch (13:00 - 14:30)				
14:00 - 14:30	Lunch (13:00 - 14:30)				
14:30 - 15:00	Lunch (13:00 - 14:30)				
15:00 - 15:30	Rethinking our Energy Supply: Renewables, energy security and geopolitics.	Renewables for Industry	Facts and Figures: Can renewables solve energy poverty?	Local Value Creation: Building inclusive economies.	Beyond Technology: Using social innovation to accelerate the shift to renewables.
15:30 - 16:00					
16:00 - 16:30	Coffee break (16:00 - 16:30)				
16:30 - 17:00	Beyond market reform: Strengthening supply chains to scale-up the renewables sector.	Renewables for Agriculture.	Changing Energy Governance: Communities and cities shifting to renewables.	The Renewables Transition: Turning Crises into Economic Opportunities.	Disrupting the Fossil Fuel Reality: Using innovation to shift to renewables.
17:00 - 17:30					
17:30 - 18:00					
18:00 - 18:30	Day's Learnings: Regional perspectives. (18:00 - 18:30)				
18:30 - 19:00	Coffee break (18:30 - 19:00)				
19:00 - 19:30	Community Events				
19:30 - 20:00					
20:00 - 20:30					
20:00 - 20:30					

PROGRAMME AT A GLANCE

DAY TWO (21 Feb)					
9:30 - 10:00	Registration opens				
10:00 - 10:30	Renewable energy for social and economic development for all. (10:00 - 11:00)				
10:30 - 11:00					
11:00 - 11:30	Coffee break (11:00 - 11:30)				
11:30 - 12:00	Ramping up Renewable Energy Deployment: The indispensable building block.	Renewables for Transport.	The Renewables JEDI Leading the Transition: Just, equitable, distributed, inclusive.	The New Rules of Renewable Energy Supply Chains.	Consumer Trends in Goods and Services Markets: Building strategically on ESG to accelerate renewables.
12:00 - 12:30					
12:30 - 13:00					
13:00 - 13:30	Lunch (13:00 - 14:30)				
13:30 - 14:00					
14:00 - 14:30					
14:30 - 15:00	Grids and Infrastructure: The backbone of renewable energy systems.	Renewables for Buildings.	What's in it for the Citizen? Building societal support from the bottom-up.	Mind the Gap: Job offers and skilling.	Digitalisation to Speed up the Energy Transition.
15:00 - 15:30					
15:30 - 16:00					
16:00 - 16:30	Coffee break (16:00 - 16:30)				
16:30 - 17:00	Community Events				
17:00 - 17:30					
17:30 - 18:00					
18:00 - 18:30	Day's Learnings: the perspective from finance. (18:00 - 18:30)				

PROGRAMME AT A GLANCE

	DAY THREE (22 Feb)					DAY FOUR (23 Feb)
9:30 - 10:00	Registration opens					Site visits
10:00 - 10:30	Energy and industrial policies to mainstream renewables. (10:00 - 11:00)					
10:30 - 11:00						
11:00 - 11:30	Coffee break (11:00 - 11:30)					
11:30 - 12:00	Building Energy Resilience: Large centralised vs. distributed systems.	Electricity, Hydrogen and Low Thermal: The interplay.	Stopping the Exodus: How renewables make people stay.	The Case of SMEs: Driving change outside globalised markets.	End-of-life: Circularity in renewables.	
12:00 - 12:30						
12:30 - 13:00						
13:00 - 13:30	Closing Ceremony: Continuous acceleration to be 2050-ready. (13:00 - 14:00)					
13:30 - 14:00						
14:00 - 14:30	Lunch (14:00 - 15:00)					
14:30 - 15:00						
15:00 - 15:30	Community Events					
15:30 - 16:00						
16:00 - 16:30						
16:30 - 17:00						
17:00 - 17:30						
17:30 - 18:00						
18:00 - 18:30						
18:30 - 19:00						
19:00 - 19:30						
19:30 - 20:00						

20 FEBRUARY 2023

10:00 - 13:00 **OPENING CEREMONY + HIGH LEVEL PANEL.**

Renewable Energy, the Solution for Net-zero, sustainable development, energy security and sovereignty - 2050 roadmaps start now!.

13:00 - 14:30 Lunch.

- 14:30 - 16:00
- Rethinking our Energy Supply: Renewables, energy security and geopolitics.
 - Renewables for Industry.
 - Facts and Figures: Can renewables solve energy poverty?
 - Local Value Creation: Building inclusive economies.
 - Beyond Technology: Using social innovation to accelerate the shift to renewables.
-

16:00 - 16:30 Coffee break.

- 16:30 - 18:00
- Beyond market reform: Strengthening supply chains to scale-up the renewables sector.
 - Renewables for Agriculture.
 - Changing Energy Governance: Communities and cities shifting to renewables.
 - The Renewables Transition: Turning Crises into Economic Opportunities.
 - Disrupting the Fossil Fuel Reality: Using innovation to shift to renewables.
-

18:00 - 18:30 **Day's Learnings: Regional perspectives.**

18:30 - 19:00 Coffee break.

19:00 - 20:30 **Community Events.**

21 FEBRUARY 2023

10:00 - 11:00 **Renewable energy for social and economic development for all.**

11:00 - 11:30 Coffee Break.

- 11:30 - 13:00
- **Ramping up Renewable Energy Deployment: The indispensable building block.**
 - **Renewables for Transport.**
 - **The Renewables JEDI Leading the Transition: Just, equitable, distributed, inclusive.**
 - **The New Rules of Renewable Energy Supply Chains.**
 - **Consumer Trends in Goods and Services Markets: Building strategically on ESG to accelerate renewables.**
-

13:00 - 14:30 Lunch.

- 14:30 - 16:00
- **Grids and Infrastructure: The backbone of renewable energy systems.**
 - **Renewables for Buildings.**
 - **What's in it for the Citizen? Building societal support from the bottom-up.**
 - **Mind the Gap: Job offers and skilling.**
 - **Digitalisation to Speed up the Energy Transition.**
-

16:00 - 16:30 Coffee Break.

16:30 - 18:00 **Community Events.**

18:00 - 18:30 **Day's Learnings: the perspective from finance.**

22 FEBRUARY 2023

10:00 - 11:00 **Energy and industrial policies to mainstream renewables.**

11:00 - 11:30 Coffee Break.

- 11:30 - 13:00
- **Building Energy Resilience:** Large centralised vs. distributed systems.
 - **Electricity, Hydrogen and Low Thermal:** The interplay.
 - **Stopping the Exodus:** How renewables make people stay.
 - **The Case of SMEs:** Driving change outside globalised markets.
 - **End-of-life:** Circularity in renewables.
-

13:00 - 14:00 **Closing Ceremony:** Continuous acceleration to be 2050-ready.

14:00 - 15:00 Lunch.

15:00 - 18:00 **Community Events.**
